

# *36<sup>th</sup> Anniversary Operation Alert*

## PATROL LEADER NOTES

### CAMP SCHEDULE

<b>Friday</b>		<b>Saturday</b>		<i>Projects begin at 8:00 am</i>
4:00 pm	Arrival and Registration begins at Park Gate	12:00 pm		<b>Lunch in project sites – MUST be carried with you – no returning to campsites</b>
9:00 pm	Patrol leaders at Subcamp HQ	5:00 pm		Dinner in Troop Campsites

**Meeting:** The Patrol Leader must attend a Patrol Leader's meeting at the Subcamp HQ on Friday evening at 9:00 pm. At this meeting you will be given information regarding the camp rules and format. However, you will receive your medallions on Saturday morning.

**Projects:** On Saturday morning you are responsible to make sure your patrol assembles at your subcamp headquarters at the assigned time to be escorted to the project sites. During the day you check-in with your subcamp staff at the end of projects at your Subcamp HQ before dinner.

**IMPORTANT:** You are competing in projects all day, regardless of weather conditions, so dress appropriately. Uniforms are not needed during the competition

**Scoring:** Patrols are being marked out of ten. The marking scheme is as follows: Sign In = 2, Sign Out = 2, Completion of Project = 2, and Teamwork = 4. When signing in / out, use your unit #, be polite, give the Scout sign and identify yourself. Do not forget to thank the leaders for running the project and allowing you to participate. Courtesy as always, please. Your patrol will only receive your first score per project and qualifying participation is only based on that first score.

**Start Now!!** To be well prepared for Operation Alert, you and your patrol needs to work on a multitude of skills including knots and lashings; compass; fire safety; environmental issues; camping skills and of course Teamwork. A good attitude and well performing team is important to your success.

**Important Notes:** This is a Provincial Park - Stay on the paths and cleared areas / walkways. This is a self-contained troop camp; therefore you must be prepared with your own water. Remind your Troop Scouters, that medical forms and health cards are a necessity. Prior to leaving and issuance of crest, Subcamp chiefs will inspect all sites.
