

# 36<sup>th</sup> Anniversary Operation Alert

## TROOP & PROJECT LEADER NOTES

**Meeting.** The Leaders must attend a meeting at Camp HQ (Lower Campground) on Friday evening at 9:00 pm. At this meeting you will be given information regarding the camp rules, format and anything new or Q&A.

**Projects.** **Every leader is expected to provide service in the running of a project instead of having to provide the project.** On Saturday morning you are responsible to make sure your group is ready by 8:45 a.m. to accept participants to your project. All projects stop at 12:00 and 4:00 and are considered completed for scoring. **At lunch (12:00 – 1:00) youth and leaders will NOT be returning to their campsites.** Projects will continue after lunch.

### **IMPORTANT:**

- The patrols can free flow throughout the entire project area in the morning and afternoon
- If you notice too many units at your event, encourage them to go to another project in the interim.
- Competing in projects will be all day, regardless of weather and uniforms are not needed during the competition.
- Patrols will only receive the FIRST score at any project.

**Scoring.** Patrols are being marked out of ten. The marking scheme is as follows:

Sign In = 2, Sign Out = 2, Completion of Project = 2, and Teamwork = 4. *There are no bonus points, and no half points.* Ensure you see the Medallion & record that **Unit Number** (not the name!) with the score. These sheets will be collected at random times throughout the day.

### **Important Notes:**

- Please see your Sub Camp staff for any assistance or problems, they will look after you, or get some one that can.
- This is a youth competition camp, and as such, no adults should be accompanying the youth during their participation. If there is a specific need, please advise the Project Coordinator or the Registrar ASAP.
- This is a Provincial Park - Stay on the paths and cleared areas / walkways.
- Use of “Walkie Talkies” is NOT permitted as they interfere with our communications and emergency issues. They will be confiscated & returned to the group on Sunday.
- This is a self-contained troop camp; therefore **you must be prepared with your own water.**
- Remember that 2 copies (you & the Patrol leader) of medical forms and health cards are a necessity.
- Prior to leaving and issuance of crest, Subcamp chiefs will inspect all sites.
