

New Location Means:

New Information

You need to read this as there have been changes:

- ◆ We are at Ferris Park in Campbellford for this year's most exciting Scouting event in White Pine Council
- ◆ Troops and Companies are not required to provide a project, however you will be required to provide service in staffing a project for the Scout aged youth
- ◆ Venturers are always welcome and encouraged to attend this camp, and this year it will be as Offer of Service not an individual program for Companies
- ◆ Patrols and project leaders will NOT return to their campsites for lunch – be completely self-contained and take what you need to eat lunch with you in the morning

- ◆ Upon arrival the leader will check in and must verify registrations AND team composition at Registration. Once complete your group will be directed to your site. ****If the Contact leader is going to be late, please ensure the other leaders have all the necessary details****
- ◆ Everything that comes in goes out – That includes ALL garbage.
- ◆ Fires are to be in designated fire pits only.
- ◆ NO pets will be allowed in camp. All pets will be denied access.
- ◆ Be Prepared – Poison Ivy is a concern at this time of year.
